

JOHN M. LYNHAM<http://www2.hawaii.edu/~lynham/>**Contact Information:**

Saunders Hall 532, 2424 Maile Way
 University of Hawai‘i at Mānoa,
 Honolulu, HI 96822

Email: lynham@hawaii.edu

Phone: 808-956-8280

Fax: 808-956-4347

Citizenship: Ireland & USA**Current Academic Positions:**

2018-present Professor, Department of Economics, University of Hawai‘i at Mānoa

Editorial Positions:

2013-2021 Editorial Board, *Journal of Environmental Economics & Management*

2017-2021 Editorial Board, *Marine Policy*

Previous Academic Positions:

Spring 2023 Visiting Scholar, Trinity College, University of Dublin
 2019-2022 Undergraduate Chair, Department of Economics, University of Hawai‘i at Mānoa
 Spring 2016 Visiting Professor, Udayana University, Indonesia
 Fall 2015 Resident Director, UH Mānoa Study Abroad Program, IÉSEG School of
 Management, Paris
 2014-2020 Director, Graduate Ocean Policy Certificate program, University of Hawai‘i at
 Mānoa
 2014-2018 Associate Professor, Department of Economics, University of Hawai‘i at Mānoa
 Spring 2013 Lorry I. Lokey Business Wire Visiting Professor, Program in Human Biology
 and Department of Economics, Stanford University
 2011-2014 Assistant Professor, Department of Economics, University of Hawai‘i at Mānoa
 Spring 2011 Visiting Assistant Professor, Department of Economics, Stanford University
 2008-2010 Assistant Professor, Department of Economics, University of Hawai‘i at Mānoa

Affiliations and Non-Academic Positions:

2018-2020 Fellow, Environmental Market Solutions Lab (emLab), University of California
 Santa Barbara
 2017-present Advisory Committee, Conservation Strategy Fund
 2016- present Reserve List of Scientists, Scientific, Technical and Economic Committee for
 Fisheries (STECF), European Commission
 2013-present Affiliated Researcher, Center for Ocean Solutions, Stanford University
 2011-2012 Pacific Century Fellow
 2010-2011 Board of Directors, Hawaii Economic Association
 2009-present Collaborator, Sustainable Fisheries Group, University of California Santa Barbara
 2009-present Research Fellow, The Economic Research Organization at the University of
 Hawai‘i (UHERO)
 2008-2014 Faculty, Graduate Ocean Policy Certificate program, University of Hawai‘i at
 Mānoa

Education:

B.A., Economics, Trinity College, University of Dublin, *First Class Honours*, 2003

M.A., Economics, University of California Santa Barbara, 2005

M.A., Ecology, Evolution and Marine Biology, University of California Santa Barbara, 2008

Ph.D., Economics, University of California Santa Barbara, 2008

NSF/IGERT Economics and Environmental Science Training Program

Awards:

Research:

- Selected for *Faculty of 1,000* "Ecology" (2008 and 2010)
- "Can Catch Shares Prevent Fisheries Collapse?" selected by the editors of *Nature* as one of the "Research Highlights of 2008"

Teaching:

- Board of Regents' Medal for Excellence in Teaching, University of Hawai'i System, 2013

Teaching Experience:

Courses Taught:

- "Introductory Econometrics" [Undergraduate], "The Ocean Economy" [Undergraduate], "Marine Resource Economics" [Graduate], "Principles of Microeconomics" [Undergraduate], "Principles of

Macroeconomics” [Undergraduate], “Resource Economics” [Graduate], “Environmental Economics” [Undergraduate], “Science In Action: Marine Resource Economics” [High School], “Marine Resource Economics and Conservation” [Undergraduate], “Environmental Economics and Policy” [Undergraduate], “Principles of Microeconomics (Honors)” [Undergraduate], “Marine Resource Economics and Policy” [Undergraduate], “Ocean Policy and Management” [Graduate]

Guest Lectures

- 2019: “Ocean Economics” [Graduate], **NOAA** short course, NOAA Pacific Islands Office
 “Natural Resource Economics” [Graduate], **Conservation Strategy Fund** short course, Humboldt State University
- 2018: “Natural Resource Economics” [Graduate], **Conservation Strategy Fund** short course, UC Berkeley
 “Fisheries Economics & Policy” [Graduate], **Conservation Strategy Fund** short course, Indonesia
- 2017: “Natural Resource Economics” [Graduate], **Conservation Strategy Fund** short course, UC Berkeley
- 2016: “Field Experiments” [Graduate], PhD Course: Field Experiments, **University of Copenhagen**
 “Natural Resource Economics” [Graduate], **Conservation Strategy Fund** short course, UC Berkeley
 “Fisheries Economics & Policy” [Graduate], **Conservation Strategy Fund** short course, Indonesia
- 2015: “Natural Resource Economics” [Graduate], **Conservation Strategy Fund** short course, Stanford University
 “Fisheries Economics & Policy” [Graduate], **Conservation Strategy Fund** short course, Indonesia
- 2014: “A Fish Tale”, [Undergraduate], Honors Program, **UH-Mānoa**
 “Environmental Economics” [Undergraduate], Department of Economics, **UH-Mānoa**
 “Property Rights and Social Norms” [Graduate], **Latin American Fisheries Fellowship** short course, La Paz, Mexico
- 2013: “Hot Topics on Major Federal Environmental Statutory Schemes” [Graduate], Law School, **Stanford University**
 “Social Studies for Teachers: Thinking Historically in the Classroom” (3 Lectures) [Graduate], College of Social Sciences, **UH-Mānoa**
 “Introduction to Research and Creative Work at Manoa” [Undergraduate], Honors Program, **UH-Mānoa**
 “Environmental Economics” (3 Lectures) [Graduate], Department of Economics, **Stanford University**
 “Designing and Scaling Policy and Business Practices for Global Greentech”, [Undergraduate], Public Policy, **Stanford University**
- 2012: “First Nations’ Futures Program”, **Kamehameha Schools**
 “Topics in Conservation Biology” [Graduate], Department of Zoology, **UH-Mānoa**
 “Meiji Gakuin University Field Study” [Undergraduate], Department of Economics, **UH-Mānoa**

- 2011: “Research Seminar in Conservation” [Graduate], Department of Geography, **UH-Mānoa**
 “Social Studies for Teachers: Thinking Historically in the Classroom” [Graduate], College of Social Sciences, **UH-Mānoa**
 “Meiji Gakuin University Field Study” [Undergraduate], Department of Economics, **UH-Mānoa**
 “Environmental Economics” [Undergraduate], Department of Economics, **UH-Mānoa**
- 2010: “Meiji Gakuin University Field Study” [Undergraduate], Department of Economics, **UH-Mānoa**
 “Principles of Microeconomics” [Undergraduate], Department of Economics, **UH-Mānoa**
 “Fisheries Science” [Undergraduate], Department of Zoology, **UH-Mānoa**
 “Intermediate Microeconomics” [Undergraduate], Department of Economics, **UH-Mānoa**
 “UH @ SEA” (2 Lectures) [Undergraduate], College of Social Sciences, **UH-Mānoa**
 “Strategic Behavior and Experimental Economics” [Graduate], Department of Economics, **UH-Mānoa**

Professional Activities:

- Grants (\$3,687,713):
- “High Seas Fisheries and Climate Change,” 2022, *Subcontract from EDF through UCSB, (\$38,068)*
 - “Pathways and constraints to adaptation in coastal social-environmental systems,” *National Science Foundation*, 2021, **(\$1,599,142)**, Co-PI.
 - “Using Outcomes from Marine Protected Area Implementation to Infer Potential Socioeconomic Consequences of Offshore Energy Development to Commercial Fisheries”, *Subcontract from Department of the Interior through UCSB, (\$176,215)*, Co-PI
 - “Reform and investment in Indonesian fisheries”, *Subcontract from The Walton Family Foundation through UCSB, (\$32,813)*
 - “Diversifying Fisheries Investment for the PNA”, 2019, *Subcontract from The Nature Conservancy through UCSB, (\$17,515)*
 - “Benefits of Fisheries Sustainability in Indonesia: Collaborative Modeling to Inform Strategic Institutional and Policy Reform in Indonesia”, 2016, *Subcontract from Packard Foundation through UCSB, (\$31,044)*
 - “Do seawalls lower property values?”, *University of Hawaii Sea Grant College Program*, 2016, **(\$72,216)**, Principal Investigator
 - “Social-ecological complexity and adaptation in marine systems”, *National Science Foundation*, 2012, **(\$1,498,903)**, Co-PI, Other PIs: Simon Levin (Princeton), Iain Couzin (Princeton)
 - “Facebook-to-Facebook: Online Communication and Economic Cooperation”, *University Research Council*, 2012, **(\$20,000)**, Principal Investigator, Other PI: Katya Sherstyuk (University of Hawai‘i)
 - “Forage Fish and Food Webs”, *Subaward from Waitt Foundation through Sustainable Fisheries Group*, 2012, **(\$21,044)**, Principal Investigator
 - “Developing a new research collaboration in the Pacific: Hawaii-Fiji

workshop on social-ecological resiliency to climate change, preliminary data collection, and methods training”, *National Science Foundation*, 2012, **(\$47,148)**, Co-PI, Other PIs: Tamara Ticktin, Alan Friedlander, Tom Giambelluca (all University of Hawai‘i)

- “The Economic Consequences of Coastal Disasters”, *University of Hawaii Sea Grant College Program*, 2012, **(\$53,418)**, Principal Investigator, Other PI: Ilan Noy (University of Hawai‘i)
- “MSA Implementation: Strategic Planning for Administering Catch Share Program in the Western Pacific Region”, *NOAA*, **(\$80,000)**, 2009-2010, Principal Investigator
- “Exploring Socio-economic and Ecological Dimensions of Catch Shares”, *Subaward from Paul G. Allen Family Foundation through Sustainable Fisheries Group*, **(\$30,000)**, 2009, Principal Investigator
- “Incentive Structures and Procrastination”, *Russell Sage Foundation*, 2007-2008, **(\$2,500)**, Principal Investigator
- “Responsibility Alleviation Effects in the Commons”, *UCSB Economics Department Research Grant*, 2006, **(\$500)**, Principal Investigator

Referee reports:

Agricultural and Resource Economics Review, Agricultural Economics, American Journal of Agricultural Economics [3], Aquatic Living Resources, Asian Fisheries Science, Biodiversitas, California Sea Grant, Canadian Journal of Fisheries and Aquatic Sciences [4], Climatic Change, Conservation Biology [2], Conservation Letters, Ecological Economics [4], Ecology and Society, Ecology Letters, Economica, Energy Economics [3], Environment and Development Economics, Environmental and Resource Economics [6], Environmental Conservation, Experimental Economics, Fish and Fisheries, Games, Games and Economic Behavior, German Federal Ministry of Education and Research, Handbook of Water Economics and Institutions, ICES Journal of Marine Science, Journal of Economic Behavior & Organization [4], Journal of Economic Psychology, Journal of Environmental Economics and Management [12], Journal of Public Economics [2], Journal of the Association of Environmental and Resource Economists [2], Land Economics [6], Management Science [4], Marine Policy [8], Marine Resource Economics [2], Netherlands Organisation for Scientific Research, NOAA Saltonstall-Kennedy Competitive Research Program, North Pacific Research Board, Proceedings of the National Academy of Sciences [2], Review of Environmental Economics and Policy, Rhode Island Sea Grant, Routledge, Scandinavian Journal of Economics, Washington Sea Grant.

Total: 83

Seminars:

UC Davis (2019), The Economic and Social Research Institute (2018), University of Indonesia (2016), WWF Indonesia (2016), Udayana University (2016), University of Alaska (2015), Geography Department, University of Hawai‘i (2015), Boston University (2014), Hong Kong University of Science & Technology (2014), World Bank (2014), University of Connecticut (2014), Stanford Environmental and Energy Policy Analysis Center – Stanford University (2013), UC Berkeley (2013), Monash University (2012), University of Wyoming (2012), Stanford Environmental and Energy Policy Analysis Center – Stanford University (2011), University of Hawai‘i - Department of Natural Resources and Environmental Management (2010), UC Santa Barbara

(2009), Pacific Islands Fisheries Science Center (2008), University of New South Wales (2008), Monash University (2008), UC Berkeley (2008), University of Maryland (2008), Resources for the Future (2008), University of Hawai‘i at Mānoa (2008)

Conference Presentations: International Interdisciplinary Studies Seminar (Keynote Speaker, 2023), Western Economics Association International Conference (2021), AERE Summer Conference (2021), International Conference on Sustainability Science and Management (Keynote Speaker, 2019), Science for Nature and People Partnership (2017), North American Meeting of the Economic Science Association (2016), North American Meeting of the Economic Science Association (2014), Ocean Tipping Points Scientific Working Group (2014), Allied Social Science Association (ASSA) Conference (2014), Ocean Tipping Points Scientific Working Group (2013), Occasional California Workshop in Environmental and Resource Economics (2013), Pacific Conference of The Regional Science Association International (2013), Bay Area Behavioral and Experimental Economics Workshop (2013), Pacific Conference for Economic Development (2013), North American Meeting of the Economic Science Association (2012), “Lessons Learned in Rights-Based Fisheries Management” Workshop (2011), North American Association of Fisheries Economists (2011), North American Meeting of the Economic Science Association (2010), Occasional California Workshop in Environmental and Resource Economics (2010), American Association for the Advancement of Science (AAAS) Annual Meeting (2010), Las Cuotas de Captura: Analisis de la Experiencia Peruana (2009), International Meeting of the Economic Science Association (2009), Workshop on Analytic Innovations in Minimum Information Fisheries Management (2009), International Marine Conservation Congress (2009), North American Association of Fisheries Economists (2009), Southwest Alaska Municipal Conference (2009), International Institute of Fisheries Economics and Trade 14th Biennial Conference (2008), NBER Summer Institute on Environmental Economics (2007), CU Environmental and Resource Economics Workshop (2007), American Fisheries Society Annual Meeting (2007), Growth of Gambling and Prediction Markets Conference (2007), Occasional California Workshop in Environmental and Resource Economics (2006), American Agricultural Economics Association Annual Meeting (2006), World Congress of Environmental and Resource Economics (2006)

Organizational:

- Campus-wide TPRC, 2022-2023
- College of Social Sciences Teaching Awards Committee, 2018
- Scientific Committee Member, 2nd International Conference on Indonesian Economy and Development 2017
- Organizing Committee, International Economic Science Association Conference 2014
- Organizing Committee, 15th South West Economic Theory Conference 2013
- Campus-wide Search Committee, Sustainability Cluster Hire, University of Hawai‘i at Mānoa
- Scientific Committee, North American Association of Fisheries Economists 2011 Conference

Advising:

Postdoctoral Researchers

Arlan Brucal (**First Appointment: London School of Economics**)

Completed (Chair/Co-Chair of PhD committee):	Chaning Jang (First Appointment: Princeton University), Anna Abatayo (First Appointment: University of Copenhagen), Sarah Medoff (First Appointment: University of Hawaii at Manoa)
Completed (PhD committee member, MA or UG thesis):	Sisi Zhang (PhD, Economics), Dongkyu Park (PhD, Economics), Anna Butchart (PhD, Political Science), Zack Oyafuso (PhD, Marine Biology), Pathomwat Chantarasap (PhD, Economics), Kanae Tokunaga (PhD, Economics), Michele Barnes-Mauthe (PhD, Natural Resources and Environmental Management), Kohei Nitta (PhD, Economics), Faith Knighton (MA, Geography), Veasna Kum (PhD, Natural Resources and Environmental Management), Elyse Oyama (Undergraduate Honors Thesis), Sean D'Evelyn (PhD, Economics), Maria Plottier (MA, Urban and Regional Planning), Chloe Salle (Undergraduate Marine Option Program), Lora Reeve (Graduate Ocean Policy Certificate)

Financial Support Provided for Graduate Students:

Research Assistants:	Adrian Amaya (2022-2024), Sarah Medoff (2018-2021), Mel Lorenzo Accad (2017-2018), Jonathan Page (2012-2014), Jonathan Sweeney (2014), Chaning Jang (2012-2014), Anna Abatayo (2013-2015), Kohei Nitta (2012-2013)
Research/Conference Travel:	Rachel Dacks (2012), Katie Kamelamela (2012), Eric Tong (2012), Emerson Odongo (2012), Damian Sailors (2012), Chaning Jang (2012-2014), Anna Abatayo (2014-2015), Kohei Nitta (2014), Michele Barnes (2014-2015)

Publications in the Popular Press:

“The Tragedy of the ‘Con’”, *The Surfer’s Path*, **61**, July/August 2007, 130.
 “Catch Shares”, *Food Ethics*, **4(1)**, Spring 2009, 32-33.
 “Measuring the health impact of airborne particulates”, *VoxEU*, 22 June 2015.

Languages (in descending order of fluency):

English, Indonesian, French, Irish
